- Seating space will be determined by the facility hosting the event. Ensure you schedule your testing ahead of your anticipated expiration date due to limited seating availability.
- Test-takers will be asked a series of questions to determine if they are currently experiencing any illness or symptoms of COVID-19. If a test-taker is sick, he/she will not be allowed to test at that time. He/she may attempt to take the test again at the next available testing date.
- It will be mandatory for each test-taker to bring and wear their own protective face covering as recommended by Executive Order 63 (nose and mouth covering).
- Each test-taker should bring a copy of the Motor Vehicle Inspection Manual.
- Each test-taker should bring writing utensils to prevent the sharing of pencils or pens.
- It is recommended that test-takers bring hand sanitizer.

If you have any questions concerning these requirements, please contact your local Safety Division trooper or Area Office.
