Message from the President

Fellow ALUMNI Members:

I hope everyone had a pleasant summer. Now it's time to look forward to Fall and our meeting in Virginia Beach. The hotel is the same as last year, and like last year, the hotel and catering company have put forth great efforts to bring a nice relaxing week-end for the gathering. Last year the weather was beautiful for a walk on the boardwalk and beach, food was excellent, and we donated the remaining food to the Division 5 dispatchers. As always, I invite you to come see old friends, make new friends and enjoy the company of all alumni members. I would also like to extend an invitation to the newest members of our organization to come join us. Our Spring dinner at Natural Bridge was well attended. List of attendees follow. One of our members passed away during the Alumni weekend, Mr. Walter F. (Bill) Littreal, Jr., please continue to keep the Littreal Family in your thoughts and prayers. As of this writing, we need volunteers for the many vacancies in the organization. We need a new membership directory coordinator to handle changes to the personnel directory. Several vacancies on committees need to be filled. If the Alumni is to continue, please consider getting more involved. Things work smoother if everyone does a little, so that a few have to do everything. Please contact me or John O'Neil if you can help. Hope to see you at Four Points by Sheraton, Virginia Beach Oceanfront, on November 11.

Thank you,
Ron Kranchick

B. Vote on Membership Proposal

Ron Kranchick said a committee had been formed and had prepared the language in Article IV, Section 2. (D), Admission to Membership, to allow an appeal process if an applicant is turned down by the Board. John O'Neil said he, Andy Engemann and Phyllis Allgood had prepared the language because of hearing that the Alumni is just a "good ole boys' group;" the Alumni is a social group to enjoy each other's company. There are two criteria to prevent membership approval (1) convicted of any criminal offense classified as a felony, and (2) Must be of such character as to uphold integrity of Department of State Police and Alumni.

If a person is turned down and may wonder if they can do anything, an appeal process would be available to them, if the new language is approved by the general membership today. He then read Article IV, Section 2. (D), (a copy was provided to each member in the *Grapevine* and also to each member attending the meeting.) He said the suggestion coming from this committee was presented to the Board and the Board felt it should come before the general membership for approval. He said 2/3 of the general membership attending the meeting must approve to become part of the new by-laws. Each person voting (only Alumni members) will be done by secret ballot.

Ron Kranchick said the proposed appeal process, Article 4, Section 2. (D) passed with 71% in favor.

C. George Galo, Membership Directory Coordinator –

He said he has been the Directory Coordinator for 13 years and is looking for someone to take over and willing to work with them until they learned the process. He said he spends approximately three to four days a month on keeping the directory up-to-date and could share the duties while learning the position. He felt a younger, energetic alumni member who likes working on the computer would be a good fit, it is not complicated, just time consuming and if anyone would like to call him and talk about it, feel free. He stressed the importance of the directory with names, addresses, phone numbers, etc.

Ron Kranchick then thanked George for all of his hard work on keeping the directory up-to-date.

There being no further business, a **MOTION** to adjourn was made by John O'Neil, seconded by Art King and the motion was unanimously approved. The meeting was adjourned at 3:55 p.m.
