Message from the President

Fellow Alumni Members,

It is time for our Fall Conference which will be held at the Natural Bridge Hotel on Nov. 2, 2024. At this meeting our guest speaker is scheduled to be Major Robert Holland. I hope everyone can come; meet old friends, make new friends and enjoy the quiet scenery of Natural Bridge. Since this is the last meeting of the year we will be voting on a new board for next year. Also, in this **Grapevine** is the Nominating Committee's list of candidates for 2025. Notice that as of this writing the nominating committee has not placed a name for Vice President or Executive Secretary. If you are interested in either position please notify John O'Neil. These positions are very important to the continuation of this organization and we need someone to step up to fill these and other vacant positions. Remember floor nominations can be brought up during Fall General Membership Meeting.

I have been the president for over 2 years, and I want to thank everyone who has helped to keep this organization running smoothly these last few years.

If you know of anyone eligible to join the Alumni please talk to them about becoming members.

As we have discussed in the past it is getting difficult to find meeting places that allow us to supply our own liquor and food in the hospitality room. Natural Bridge will not allow us to bring our own food for the hospitality room and they are charging us by the person for the hospitality room. If you know of any location that may allow us to supply our own food and liquor for the hospitality room please let a board member know so the board can check further.

I have taken over the responsibility of the directory. If you have any changes to be made, please contact me at rkranchick@aol.com or 703-447-8968.

Members in attendance totaled 31.

President: President Ronald Kranchick welcomed everyone and that it is the beginning of 50th year of the Virginia State Police Alumni.

Vice President: Andrew Engemann said the division representatives are doing a great job by continuing their outreach of recruiting new members and advising of sickness, disabilities, deaths and funerals.

Secretary's Report: Bonnie Crowder had nothing to report.

Treasurer's Report: Jerry L Davis introduced himself as retired Division 4 BCI Captain and had taken the position of Treasurer as of January 27th this year. He said the beginning balance as of February 1st was \$29,976.47. Since that time with the deposits and expenses during the months of February, March and beginning of April, the balance as of today was \$26,168.72. Within this funding amount, there is a separate fund, Lieutenant Colonel C. M. Robinson Fund, with a balance of \$1,711.08. The money in this fund is used for physical fitness plaques for each Basic School for an outstanding male and female.

The membership roster and dues were discussed as to payments received, non-payments, memberships continued, etc. He is working with the Board about reaching out to members to see if they want to continue their membership and make the dues current.

His presentation showed the cashflow and some of the expenses were discussed such as:

- There is a \$100 payment made in memory of each deceased member and there were 24 deaths last year, \$2,400.
- For this conference, there were 83 members registered at \$50 equaling \$4,150, however, the Alumni still have to subsidize \$2,000 to \$2,500 each conference to cover costs.
- About \$5,000 for cost of the Alumni Directory
- About \$1,200 for cost of the **Grapevine**
- The dues to include the members who have paid as a Regular Life Member, \$250 one-time payment, was discussed.
- There was discussion as to how to lower expenses, receive dues in a timely manner, make some adjustments moving forward, etc. He asked if anyone had any ideas, to please reach out to any of the division representatives, Board members or get in touch with him.

Jerry Davis summarized the finances for the 2023 year by saying the cash inflow was \$17,756.89 and the cash outflow was \$24,257.02.

Health and Welfare Report: John O'Neil read the names of the deceased members since the November 2023 Virginia Beach meeting and asked for a moment of silence; Donald Brown, John Jenkins, Roger Grimmett, T J Williams, Dave Nichols, Bill Fowle, Woody Campbell and Frank Duffy and asked for a moment of silence in memory of them. He had also sent out 13 get well cards.

Executive Secretary's Report: John O'Neil said hotels are putting on more restrictions regarding bringing in food and this hotel did not have a restaurant and dinner is being catered. The cost of the hospitality room running a little over and it will cost between \$2,000 and \$2,500. This amount could be offset by raising fees, however, being a social club, the thought is for everyone to get together and have a good time.

The Alumni has the license for the hospitality room and alcoholic beverages cannot be taken out of that area. Arrangements have been made with the hotel for a cash bar with the dinner meal, but again, the Alumni is covering the expenses of the workers and the fees.

The Fall Conference will be November 2nd in Natural Bridge and the registration fee will remain at \$50.

John O'Neil read the 2025 Slate of Officers from the Nominating Committee:

A. President and Vice President Positions – Andrew Engemann said he will be running for President and would like a Vice President with some experience on the Board or can mentor as necessary. The Executive Secretary's position is also vacant, and there are financial allowances for this position. He stated that the Virginia State Police is one of the few agencies that have an active Alumni, have conferences, email lists and the Death Benefit Fund, do a great job of communicating with each other and the members should be proud of that. He would like to see some people with some time and energy to step up and volunteer for a position for a year at a time and enjoy the experience.

B. Glen Burley was recognized and said he was honored to be accepted as an Honorary Member of our organization. He spoke regarding the low membership of law enforcement organizations and the path of financial dilemma. He stated the Richmond Fraternal Order of Police was the largest group in the state at one time and has gone from 700 members down to 200+ members, members are getting older, some not paying dues, younger people not joining and a continuing downward spiral. Due to postage increase, they stopped

sending out the monthly bulletin, however members who wanted the hard copy, paid for the postage. Emailing was suggested and savings had been recognized. He is finding the groups don't want to hear about politicians, they are interested in new technology, what the SWAT team is wearing now compared to what they were wearing. He thought finding speakers to stimulate interest at the conferences would encourage more members to attend the conferences. He thanked the group for allowing him to speak.

A motion to adjourn was made by Andy Engemann, seconded by John O'Neil and the motion was unanimously approved. The meeting was adjourned at 3:35 p.m.
