

## **Safety Inspector License Testing Sites**

- Inspector testing and recertification testing will be conducted on designated days determined by each Area Office.
- Each applicant or currently certified inspector will be responsible for contacting their local Safety Division Area Office to schedule a testing date and time. (See contact information listed below)

Safety Inspection Area Offices			
Area 61	Richmond	area61.safety@vsp.virginia.gov	804-743-2217
Area 62	Culpeper	area62@vsp.virginia.gov	540-829-7414
Area 63	Appomattox	area63@vsp.virginia.gov	434-946-7676
Area 64	Wytheville	area64@vsp.virginia.gov	276-228-6220
Area 65	Chesapeake	area65@vsp.virginia.gov	804-834-2368
Area 66	Salem	area66@vsp.virginia.gov	540-387-5437
Area 67	Fairfax	area67@vsp.virginia.gov	703-803-2622

- Seating is determined by the hosting facility and may be limited. Schedule your testing well before your license expiration date, up to 90 days prior. Your license typically expires on the last day of your birth month.
- Each test-taker should bring a copy of the Motor Vehicle Inspection Manual. Electronic versions will not be accepted.
- No electronic devices, such as cell phones, computers, smart watches, etc., will be allowed in the testing area.
- Each test-taker should bring writing utensils to prevent the sharing of pencils or pens.

If you have any questions concerning these requirements, please contact your local Safety Division trooper or Area Office.
